BINGHAMTON Knitting Company

-est. 1927-

About Us

Binghamton Knitting Company has been making the finest knit products using the latest in knitting technology and quality hand finishing for nearly a century. We offer diverse manufacturing solutions to anyone seeking knit products, including blankets, sweaters, and ponchos in a variety of fibers. In addition to fully custom products, we offer a complete line of apparel and throws that are suited for gift shops, boutiques, department stores and online retailers.

Our History

In the early 1900s, Frederick Hardler sought to establish his own knitting mill that would emphasize quality, service, and ingenuity. Mr. Hardler realized his dream in 1927 when Binghamton Knitting Company was officially incorporated. While many companies have come and gone over the last century, Binghamton Knitting Company remains right where we started in Upstate New York. Today, BKC is still under the ownership of Mr. Hardler's family, and employs members of the third, fourth, and fifth generations.
