our history

In the early 1900s, Frederick Hardler sought to establish his own knitting mill that would emphasize quality, service, and ingenuity. Mr. Hardler realized his dream in 1927 when Binghamton Knitting Company was officially incorporated. While many companies have come and gone over the last century, Binghamton Knitting Company remains right where we started in Upstate New York. Today, BKC is still under the ownership of Mr. Hardler's family, and employs members of the third, fourth, and fifth generations.
